FARGO REALTOR TERRY MURPHY RECOGNIZED BY HOUSING FINANCE AGENCY

The North Dakota Housing Finance Agency (NDHFA) honored Fargo Realtor Terry Murphy with the **Champion of Affordable Housing Award** during the 2008 North Dakota/South Dakota REALTORS® Convention. Champion awards recognize and celebrate exceptional contributions to the state's affordable housing industry.

Terry Murphy

The award recipients are judged on their promotion of the NDHFA's programs, and their involvement in locally sponsored homeownership projects and events.

Mr. Murphy has excelled in providing services to First Time Home Buyers. He is one of the leading Realtors in the State of North Dakota for First Time Home Buyers programs.

First Time Home Buyer Classes and information on NDHFA programs are available at his web site www.ndfirsthome.com.

"For me, there is nothing quite as much fun as calling that young couple and being able to say Congratulations, you got the house. I really enjoy providing that service and working with those clients. It is very rewarding for me personally. "

Mr. Murphy is very active in the community and in particular any project that involves kids. He is a charter member of the Fargo Marathon committee which over the last few years has grown into a phenomenal event for Fargo raising money for the Children's Museum at Yunker Farm and the new children's wing at Merit Care among others.

He was recently nominated for a position on the Board of Directors at the Children's Museum and will begin serving in that position in October.
